Confession of Faith in a Mennonite Perspective

Unison Reading A

We believe in God the Creator of all,
who has called forth a people of faith.
We believe in Jesus Christ, the Word become flesh,
crucified and resurrected for us.
He is our Savior from evil and sin,
our peace and the exalted Lord of the church.
And we believe in the Holy Spirit,
the source of redemption and life.

We who respond to Christ in faith are his church,
the community called to proclaim
and to be a sign of the kingdom of God,
the new people sustained by Scripture and Spirit.
Thus we continue the mission of Christ,
making disciples, forgiving, restoring,
baptizing believers, sharing the Lord's Supper,
using our gifts in unity and love.

We commit ourselves to follow Jesus Christ,
in his path through suffering to life.
By grace we are being changed into the image of God,
in which God created women and men.
As faithful disciples, we hear Christ's call
to life in the Spirit in relation with God,
to chastity, stewardship, love for the enemy,
to the practice of justice and peace.

We joyfully worship the three-in-one God,
as a holy nation, the people of God,
giving allegiance to Christ as our Lord,
living now as if in the age to come.
We place our hope in God's everlasting reign,
in victory over evil, the resurrection of the dead,
in Christ's coming again in judgment and glory.
To God be all glory! Amen!

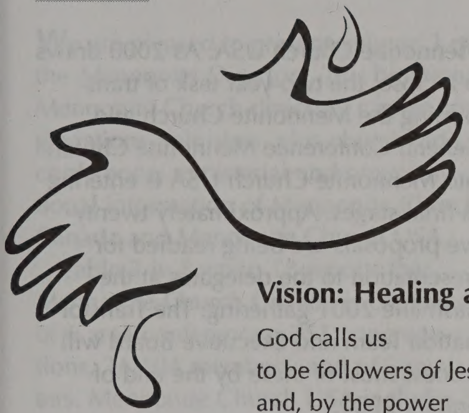
Mennonite Church Mission



Vision: Healing and Hope

God calls us
to be followers of Jesus Christ
and, by the power
of the Holy Spirit,
to grow as communities
of grace, joy, and peace,
so that God's healing and hope
flow through us to the world.

Priorities

To follow Jesus Christ more faithfully we are called to:

- enrich our prayer, worship, and study of the Scriptures.
- offer all that we are and have to God.

To grow as communities of grace, joy, and peace we want to:

- call and nurture congregational leaders for ministry in a changing environment.
- practice love, forgiveness, and hospitality that affirm our diversity and heal our brokenness.

To live as people of healing and hope we are committed to:

- invite others to faith in Jesus Christ.
- seek God's peace in our homes, work, neighborhoods, and the world.

Statement adopted 1995 by the Conference of Mennonites in Canada, General Conference Mennonite Church, and Mennonite Church denominational assemblies. The statement was reaffirmed by Mennonite Church Canada and Mennonite Church USA.

Foreword

Mennonite Church Canada began life at St. Louis in 1999. The task of shaping the new church has focused the energies of staff and boards alike. The Canada Program Transformation Team is leading this process, with programmatic aspects being designed by many subgroups.

At the Assembly in Lethbridge in July 2000, some goals and parameters were reported, with broad outlines of some anticipated changes. Delegates were eager for more details, but those were still in process.

The work continues. An organizational design has been proposed; mission structures are defined; expanded programs for strengthening and servicing member congregations have been imagined; new funding and administration patterns have been tested and refined. All these proposals are being tested with the current leadership in Mennonite Church Canada and its area conferences. After further polishing they will be presented to congregations in preparation for discussion and action at the next assembly in Abbotsford BC, July 11-15, 2001.

—Dan Nighswander, general secretary,
November 9, 2000

Mennonite Church USA. As 2000 draws to a close, the two-year task of transforming the Mennonite Church and General Conference Mennonite Church into Mennonite Church USA is entering its final stages. Approximately twenty-five proposals are being readied for presentation to the delegates at the Nashville 2001 gathering. The Transformation Team and Executive Board will process most of these by the end of January 2001.

To view the process only as an exercise in organizational realignment misses an important truth. The new church organization represents a renewal of spirit and purpose for the 120,000 potential members in this new fellowship of conferences and their affiliated congregations.

Our purpose is to participate fully in God's work of setting things right in a broken world, redeeming and restoring all things in Christ to God's intended design as we live into God's new future that has already begun.

Amidst the rigors of newness we rely upon God's perfect leading and unfailing grace to show us the way.

—Jim Schrag, project director,
Transformation Team,
November 29, 2000

Preface by the Editors

We are pleased to present volume 3 of the *Mennonite Directory*. This binational Mennonite Church directory carries congregations, ministers, plus churchwide, conference, ministerial and organizational information of Mennonite Church Canada and Mennonite Church USA.

Table 3 in Section 18 reports that Mennonite Church Canada is comprised of 6 area conferences, 251 congregations, 36,104 members, and 665 ministers. Mennonite Church USA includes 22 area conferences, 1,063 congregations, 120,381 members, and 2,990 ministers. Recognized Groups number 9, and Area Church Organizations, 10.

These numbers reflect a slight decline from a year ago. This is the result of three developments. *First,* a new area conference, Good News Fellowship of Anabaptist Mennonite Church Inc., has formed. These 16 churches and 427 members in Alabama and Florida were formerly related to Lancaster Mennonite Conference. *Second,* only those independent congregations who maintain an affiliation with the denomination were counted. This action reduced the totals by 53 churches and 1,773 members. *Third,* there were the usual changes from growth and decline within the area conferences.

Tables 1 and 2 list the financial support of the programs of the binational church. In 1999 per member giving averaged $983.00.

Transformation continues at the area conference level. In late summer Northern District and Iowa-Nebraska Mennonite conferences joined together to form Central Plains Mennonite Conference.

This volume is the result of the cooperative effort of the staffs of Mennonite Church Canada and Mennonite Church USA, plus the hundreds who supplied information about their congregations, conferences, and organizations. Also Mennonite.net, Goshen, Ind., provided technical support services.

The *2001 Mennonite Directory* is a basic tool for ministry. We hope that readers will find the information more accessible. Your comments are welcome. Contact us at one of the *Mennonite Directory* offices.

Church

SECTION 1

Mennonite Church Canada

In delegate sessions held July 23-27, 1999, in St. Louis, Missouri, the Conference of Mennonites in Canada, Mennonite Church General Assembly and General Conference Mennonite Church took steps to create the new, integrated Mennonite Church, a binational entity comprised of two national bodies—Mennonite Church Canada and Mennonite Church USA. Canadian delegates established Mennonite Church Canada. They approved guidelines for membership in the new denomination and a plan to transform current programs to serve the new church.

Section 1 lists the organization of Mennonite Church Canada. Area conferences and congregations affiliated with Mennonite Church Canada are found in Section 2.

GENERAL INFORMATION

Mennonite Church Canada is a new church body that has grown out of the Conference of Mennonites in Canada (formed in 1903). Its member churches have also been members of the General Conference Mennonite Church (GC, formed in 1860), and the Mennonite Church (MC, formed in 1971). The Canadian and American GC and MC churches are working together to form a new body, Mennonite Church, which is organized as Mennonite Church Canada and Mennonite Church USA. Together they have adopted a common vision statement and the Confession of Faith in a Mennonite Perspective.

Mennonite Church Canada held its inaugural assembly in the summer of 2000. A Canadian Program Transformation Team is giving leadership from July 1999 to July 2001 to shaping the ministries of the new church. The General Board of Mennonite Church Canada, together with the Executive Board of Mennonite Church USA, continues to oversee the work of bi-national (GC and MC) agencies as well as Canadian programs during this transitional biennium.

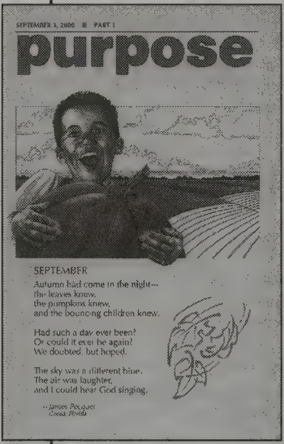
Periodical for Discipleship



SEPTEMBER 3, 2000 PART 1

purpose

SEPTEMBER

Autumn had come in the night—
the leaves knew,
the pumpkins knew,
and the bouncing children knew.

Had such a day ever been?
Or could it ever be again?
We doubted, but hoped.

The sky was a different blue.
The air was laughter,
and I could hear God singing.

—James Pecquet

Purpose
a monthly periodical in weekly parts that explores models of action-oriented Christian discipleship living for youth and adults.

SECTION 2

Mennonite Church Canada Area Conferences and Congregations

Section 2 lists area Mennonite conferences that affiliated with the Mennonite Church Canada. Within each area conference churches are listed alphabetically by name.

Each area conference entry includes (1) organizational detail (2) general information and (3) congregations. The purpose of this section is to provide all information necessary to contact a given area conference and or a congregation. To facilitate this, the area conference office and primary staff is listed first. These are followed by the leadership, related staff, and organizations.

Information about the congregation is included to provide basic data about that church and its pastoral leadership. Address and other information provided is that which the church has designated for use in any official contact with the congregation. This may be the pastor's office or residence, meetingplace, church office, or another location.

Area conference statistics are listed under the General Information segment of the area conference entry. The information is carried in five categories.

Members. These are the total number of members of congregations that are affiliated with the area conference either as primary or secondary affiliation.

Stewardship solutions

MMA offers stewardship solutions for your family, your church — and your world.

We have a long-time commitment to stewardship — both to living it out as an organization and to doing all we can to help you on your stewardship journey. Our insurance and financial services products can help you with the opportunities and challenges you face, but there's a lot more to stewardship than finances.

Three MMA affiliated programs can help you with the other stewardship opportunities and challenges you face each day.

Stewardship University — MMA's Stewardship University teaches about holistic stewardship and will help you organize life so God can give you away.

Stewardship for Life — Eight-page topic sheets on personal stewardship in the areas of spirituality, health, fitness, nutrition, and finances. For individuals or groups.

The Giving Project — Helps you or your church or local non-profit, transform giving from an obligation into a worship experience. Learn to develop clear thinking and Christian faithfulness in your use of financial resources.

For more information on any of these programs, visit MMA's Web site (www.mma-online.org) or contact the MMA Stewardship Education Center at 800 348-7468, ext. 269, or stewardship@mma-online.org.

Mennonite Church USA

In delegate sessions held July 23-27, 1999, in St. Louis, Missouri, the Conference of Mennonites in Canada, Mennonite Church General Assembly, and General Conference Mennonite Church took steps to create a binational Mennonite Church comprised of two national bodies—Mennonite Church USA and Mennonite Church Canada.

U.S. delegates established a Mennonite Church USA Executive Board and approved a plan to create Mennonite Church USA. Canadian as well as U.S. delegates gave authority to the U.S. board to oversee binational programs until 2001, when it is anticipated that further decisions will be made. Section 3 lists current programs. Current Mennonite Church USA area conferences and congregations are found in Section 4.

VISION STATEMENT

God calls us to be followers of Jesus Christ and, by the power of the Holy Spirit, to grow as communities of grace, joy, and peace, so that God's healing and hope flow through us to the world.

GENERAL INFORMATION

The General Conference Mennonite Church (GC) founded in 1860 and Mennonite Church (MC) founded in 1971 are working to form a new, united Mennonite Church, organized as U.S. and Canadian bodies. These church bodies have adopted a common vision statement and the *Confession of Faith in a Mennonite Perspective.* Some staff persons are already jointly appointed. An Executive Board for Mennonite Church USA was elected in July 1999 to act on behalf of both the Mennonite Church and General Conference Mennonite Church legal entities. Further decisions concerning bringing together GC and MC programs will be made in summer 2001.

SECTION 4

Mennonite Church USA Area Conferences and Congregatons

Mennonite Church USA continues to take shape as the Mennonite Church and the General Conference Mennonite Church are transformed into a new denomination. A decision on guidelines for membership in the new denomination will likely be made in July 2001. Relationships of area conferences to the new denomination will be made later, as well.

Listed in this section are current member congregations of MC area conferences, including those in the U.S. and Puerto Rico. Also listed are current member congregations of the GCMC, including those of its U.S. area conferences and the South American Conference. Within each area conference churches are listed alphabetically by name.

Each area conference entry includes (1) organizational detail (2) general information, and (3) congregations. The purpose of this section is to provide all information necessary to contact a given area conference and or a congregation. To facilitate this, the area conference office and primary staff is listed first. These are followed by the leadership, related staff, and organizations.

Information about the congregation is included to provide basic data about that church and its pastoral leadership. Address and other information provided is that which the church has designated for use in any official contact with the congregation. This may be the pastor's office or residence, meetingplace, church office, or another location.

Affiliation codes. See listing of affiliation abbreviations of area conferences, recognized bodies, area church

A description of each item included in the congregational entry is as follows:

Goshen College

Committed to serving the church and the world with liberal arts excellence in a Christian community

- **Turning passions toward lives of service:** We help our students identify and cultivate their God-given gifts and interests and prepare to change the world.
- **Educational value:** We are committed to academic excellence *and* comparatively low costs; 90% of Goshen students receive financial aid.
- **World vision:** Goshen was one of the first colleges in the U.S. to require international education. Most students choose SST, which emphasizes learning from and living with country hosts.
- **Accountability counts:** Our values in community life are based on Mennonite-Anabaptist understandings of mutuality and respect.
- **Faculty matters:** Faculty members care deeply about students – each with different abilities and ideas – and their faith and learning.

Hispanic Groups

The Hispanic Mennonite Convention of Churches in the USA and Canada (HMC) and the Mennonite Association of Hispanic Churches (AMIGA) held a joint meeting in August 2000. Steps were taken to integrate their organizations into one new entity. A transitional board of directors was formed and a new name, Iglesia Menonita Hispana, was adopted. The respective organizations, Hispanic Mennonite Convention of Churches in the USA and Canada (HMC) and Mennonite Association of Hispanic Churches (AMIGA), will continue to function as separate entities through Nashville 2001 at which time merger is planned.

Following are listed: (1) an Administrative Board which will serve through 2002, (2) a Women's Committee which will assist through Nashville 2001, (3) current offices as well as contact person; (4) the current Hispanic Mennonite Convention of Churches in the USA and Canada (HMC) and its related congregations; and (5) the current Mennonite Association of Hispanic Churches (AMIGA).

CCMI is led by an Apostolic Council, which is responsible for its overall vision, direction, and focus. This includes vision statements, mission statements, basic values, and guiding principles for the movement. At present there are five members on the council: Gerald Martin, Roy Kreider, Tim Martin, Greg Mayo, and Stan Shirk.

GENERAL INFORMATION

Year founded:

Cornerstone Church and Ministries International (CCMI) is an apostolic movement made up of a family of churches and ministries committed to planting and resourcing churches throughout the world.

Our mission: To make more and better followers of Jesus in obedience to both the Great Commission (to go into the world and make disciples) and the Great Commandment (to love one another).

Our vision: To experience church like we read about in the Bible.

Our goals: To touch every household in our communities with the gospel; to plant, partner with, and network with like-minded churches across America to bring revival to our nation; and to plant churches among unreached peoples. CCMI is open to net-

working with other movements and churches to help bring revival to our nation. We are also open to providing spiritual covering for emerging congregations of like vision.
Our model: Is derived from Acts 2:42, where the first-generation church is described as devoting themselves to teaching, fellowship, worship, and prayer. While part of various conferences of the Mennonite Church, CCMI relates to churches of other conferences and denominations.
Cornerstone Church and Ministries International includes churches in Virginia, Pennsylvania, South Carolina, Missouri, and Florida. Overseas churches in Albania, Italy, and China have been planted.

PROGRAMS AND SERVICES

MMA offers expertise and assistance to Mennonites and other Anabaptists in pursuing stewardship solutions through its diversified insurance and financial services as well as charitable programs and fraternal benefits. Programs and services include:

- Insurance: Health, life, long-term care, and disability income coverage. Plans for individuals and groups.
- Financial services: Mutual funds, annuities, Mennonite Retirement Trust (staff pension plan for congregations and church institutions), and asset management. Provides mortgages and other financing for institutions and congregations. All investments are guided by stewardship investing principles.

Mennonite Foundation: Planned charitable giving and estate planning consultation for individuals. Planned giving and investment advisory services for institutions. Offers seminars and other educational events. Serves the U.S. members of the General Conference Mennonite Church and Mennonite Church.

Fraternal benefits: Matching grants, educational resources, stewardship ministries, and programs in mental illness and disabilities. Fraternal benefits are made possible because part of MMA is a fraternal benefit association, and money that would otherwise be paid in taxes is instead channeled to members and churches. Fraternal benefits do not increase members' premiums or fees.

Transformation Organizations

Although a General Board for Mennonite Church Canada and an Executive Board for Mennonite Church USA were elected in July 1999, area conferences, program boards, and other groups from the Mennonite Church, General Conference Mennonite Church, and Conference of Mennonites in Canada continue to work at transformation (formerly referred to as integration). Some decisions about structures at the U.S. and Canadian denominational levels will be made in summer 2001. Other decisions will be made at other times. Committees facilitating transformation at various levels are listed as follows.

GENERAL INFORMATION

Mennonite Central Committee (MCC) thrift shops are the result of constituent concern for human need both locally and globally. Thrift shop volunteers carry out the mission of MCC in the local community through their efforts, which include preparing, pre-owned donated merchandise for sale, serving customers, and maintaining the shop. Proceeds from these shops support the work of MCC personnel who demonstrate God's love among people suffering from poverty, conflict, oppression, and natural disaster.

GENERAL INFORMATION

Mennonite Central Committee helped pioneer the first Victim Offender Reconciliation (VORP) in Kitchener, Ont, in 1974. There are now about 250 programs in the U.S. and Canada with similar programs existing in England and Europe as well as other countries abroad. Programs with Mennonite connections are listed in this entry. These community or faith-based programs operate in cooperation with criminal courts to offer victims and offenders an opportunity to meet. These meetings, facilitated by trained community volunteers, allow participants to find out what happened regarding the crime, express their feelings, and work out a restitution agreement.

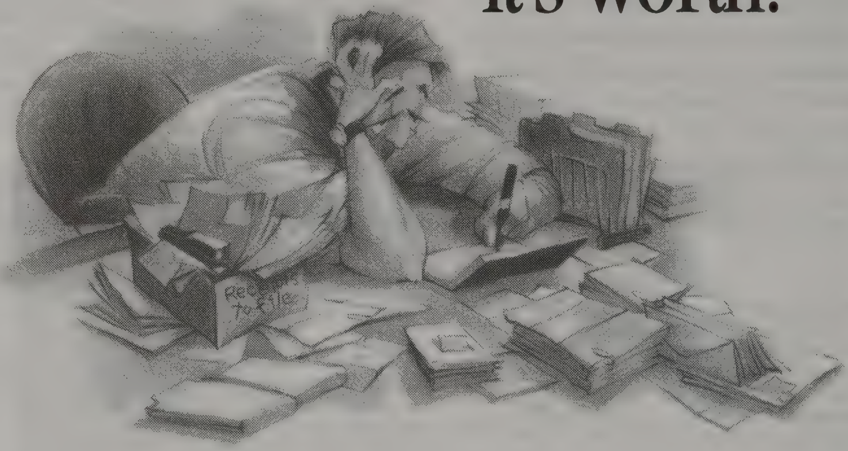
Sometimes giving to charity seems more trouble than it's worth.



Let Mennonite Foundation help keep the joy in giving. A single gift to this donor-advised fund provides immediate tax advantages and the ability for you to recommend support to multiple causes. While you get a charitable tax deduction this year, you can make the decision on which charities to support whenever it is most convenient for you — even next year or later. A year-end statement consolidates your donations into a single figure for IRS reporting. No more sorting through piles of receipts.

The Mennonite Foundation Charitable Gift Fund —

Simplify the process, magnify its power.

To receive the Mennonite Foundation Charitable Gift Fund brochure, or to find the foundation representative nearest you, call 1-800-662-6747 or check MMA's website at www.mma-online.org.

SECTION 17

Geographical Listing of Congregations

Section 17 lists Mennonite congregations alphabetically by country, state/province, and the city in which they are located. This section includes all congregations listed in Section 2 Mennonite Church Canada area conferences, Section 4 Mennonite Church USA area conferences, and Section 14 Related Mennonite Conferences—Conservative Mennonite Conference (CM) and Good News Fellowship of Anabaptist Mennonite Churches Inc (GNF). The listing of these churches include the page numbers where readers may find full information about these congregations. A number of congregations also relate to a Recognized Group and an Area Church Organization. See table of the affiliation abbreviations at the front of this volume.

Also included in this section are congregations affiliated with North American Mennonite bodies that may relate to Mennonite World Conference, see Section 12. Those that relate to an independent area conference, see Section 15, are included as well (Of these the Nationwide Fellowship Churches congregations are not included in this entry). See table of the affiliation abbreviations in the front of this volume.

Effort was made to secure complete and accurate information about each congregation. If there are errors or there is any missing data, please contact the area conference with which the church is affiliated and/or one of the *Mennonite Directory* offices.

An example of a complete Mennonite Church Canada and USA congregational listing is as follows:

Congregations with two asterisks (**) after the names designate a GCMC related church that is not part of the denomination or area conference.

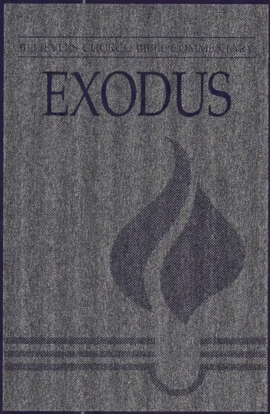
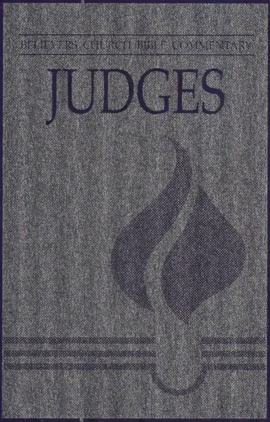
Resources for Bible Study





These commentaries, informed by recent scholarship, are not overburdened with detail. They are written for lay leaders, teachers, pastors, college and seminary students, and all those searching the Bible for truth and life.

The writers place each section of Scripture in the perspective of the whole Bible and bring it into conversation with the past and present experience of God's people in the world. The format is unique: Preview, Outline, Explanatory Notes, Text in Biblical Context, and Text in the Life of the Church—thus providing a fine balance of exegesis, theological reflection, and life appropriation.

Sponsored by six denominations, the Belivers Church Bible Commentary series represents the Anabaptist believers church tradition as a key perspective for interpretation.
